WELCOME TO ON-DEMAND BUS TRAVEL!

Who is Pingo for?

Pingo is for everyone. A flexible, convenient bus travel that works around you between the areas of Haddington, Tranent and Humbie.

When can I use the service?

Pingo for East Lothian will operate within set times Monday to Friday and will connect to the 109 service.

See www.prentice.info for more information.

How do I download the app?

See our easy-to-follow instructions on the back page for how to download the app to your smartphone or another device (for instance a tablet).

What if I don't have a smart phone or a tablet?

You can still book the service by calling Prentice Coaches on 01620 822620.

HOW TO DOWNLOAD THE APP

1 Getting Started

Scan the QR code above. You will be taken to the APPLE APP STORE or the GOOGLE PLAY STORE, depending on what kind of phone or device you have.

Download the app.

The app is completely free, and you will not be charged any money.

2 Opening the App

Tap on the app and "allow" Ride Pingo to send you notifications.

Tap "Get Started" and fill out your details.

When prompted to enter your phone number remember to change the first two digits to +44 and take off the first 0.

3 Verify and Go

You will then be sent a code by text message to enter into Pingo.

Please note that your details are encrypted and will be safe and secure.

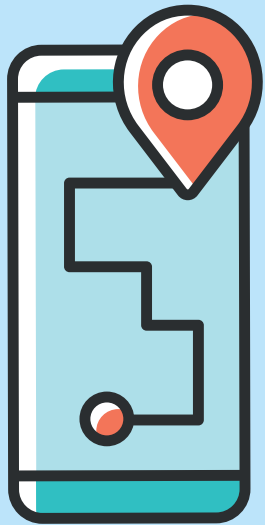

Allow Ride Pingo to access your location whilst using the app.

That's it, you're all set! You can now explore the app and enter where you currently are and where you would like to go.

WHAT IS PINGO?

PINGO is an on-demand bus service brought to you by Prentice Coaches. PINGO allows customers to book a shared journey not served by bus at that particular time.

It operates within the East Lothian area and is perfect for joining up journeys, integrating with the existing transport network, and providing bus travel where a service doesn't exist.

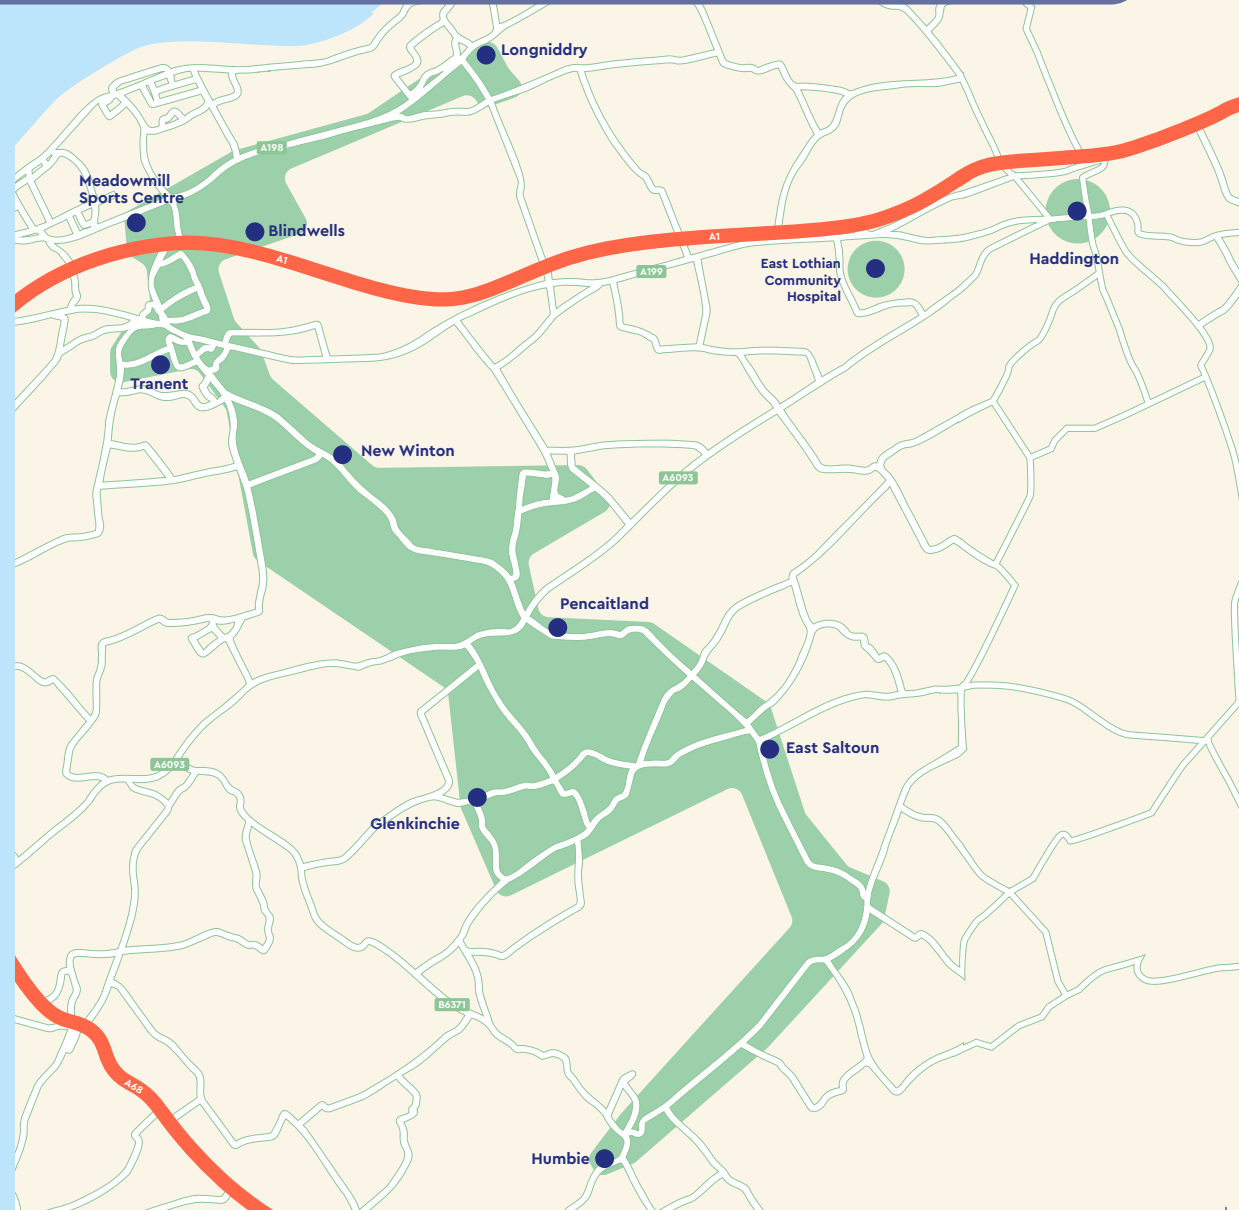

By simply downloading the "Ride Pingo" app you can book your journey quickly and easily, and track the progress of your bus as it makes its way to your assigned pick-up point.
